About Life & Peace Institute

Since its formation, LPI has carried out programmes for conflict transformation in a variety of countries, conducted research, and produced numerous publications on nonviolent conflict transformation and the role of religion in conflict and peacebuilding. The main focus of our work has been on Africa, with the Horn of Africa Programme being established and well-known in the 1990s, not least our work in Somalia. Other initiatives have been carried out in Congo-Brazzaville, Croatia, Sri Lanka and East Timor. We have strengthened the capacity of our civil society partners to address the conflicts in their own context, in some of the most difficult and war-torn countries.

Currently, we run conflict transformation programmes in the Horn of Africa and Great Lakes regions in partnership with local civil society organisations and universities in Somalia, Sudan, Ethiopia, Kenya and the DRC. There is also a common programme including publications, policy work and methodology design based in Sweden.
